

Chase and District Chamber of Commerce & Visitor Center Covid-19 Safe Operating Plan

Visiting the building

- The recommended visit time is between 10 and 20 min inside our building with a maximum of 4 people inside at one time.

Physical distancing from others

- The parking lot is open for visitors. If you are unable to maintain a 2-metre distance from others when exiting your vehicle, wait inside your vehicle until it is clear to get out. This goes for the car charging station too.
- Masks must be worn when entering the building.
- It is required to keep a 2-metre distance from others outside your household at all times.
- Plexiglass is placed at the front desk to protect Visitors and staff.
- Wifi is still available to Visitors.

Cleaning and washrooms

- The washrooms and high-touch points are cleaned thoroughly multiple times throughout the day.
- Hand sanitizer is available for your use.
